

# [Show Screen]

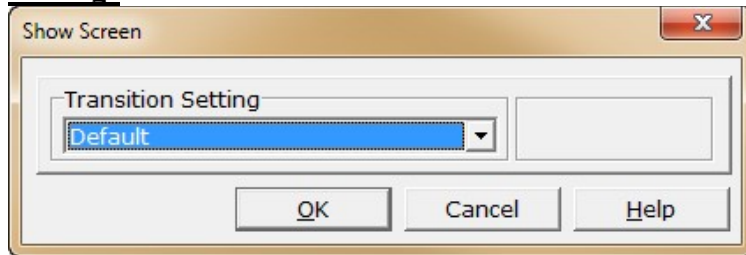

**Function**

file:///C:/Users/hyeon/AppData/Local/Temp/~hh70C3.htm

2026-06-27

- Redisplays the screen after clearing with a [Hide Screen] command.

## **Settings**

- Under [Transition Setting], the screen transition method can be specified. If set to [Default], the transition method set under [Transfer Player] in [System] will be used.
